TRAIL ROUTES

FORESHORE DISCOVERY
3.2km RETURN
START POINT: Mokolan Hub & Café
END POINT: Mokolan Hub & Café

A short leisurely trail starting from the Mokolan Hub & Café (follow 1) Foreshore Trail as you cycle south-west along Flynns Road. Pass by Winson Swamp on your left and bushland on your right with standing water from the Regent Honeyeater Dam. Look out for the history amongst the trees along your way.

WETLANDS DISCOVERY
16km RETURN
START POINT: Mokolan Hub & Café
END POINT: Mokolan Hub & Café

From the Mokolan Hub & Café follow (2) Foreshore Trail and 1 Mokolan Trail following the north side of Sergeants Swamp to the Outlet Channel. Look out for the history amongst the trees along your way.

SERGENTS SWAMP
15km LOOP
START POINT: Mokolan Hub & Café
END POINT: Mokolan Hub & Café

From the Mokolan Hub & Café follow (1) Foreshore Trail and (2) Pelly’s Trail, from Pelly’s corner turn left and head south-east down Flynns Road following (7) Wetlands Trail. You will pass over Winton Creek Bridge and 7 Mile Wetland will be located on your left. Take your time to enjoy the wildlife and relax in the surroundings before you return to the Mokolan Hub & Café.

PELLEY’S EXPLOREATION
6.8km RETURN
START POINT: Mokolan Hub & Café
END POINT: Mokolan Hub & Café

An easy trail starting from the Mokolan Hub & Café, follow the (3) Foreshore Trail then head south-east along (2) Pelly’s Trail, follow the tracks as you cross through the middle of Sergeants Swamp and Winton Swamp and you will continue along Pelly’s Lane. Around the history around you and hopefully spot some wildlife in this quiet area.

WETLAND DISCOVERY
24.4km RETURN
START POINT: Mokolan Hub & Café
END POINT: Mokolan Hub & Café

From the Mokolan Hub & Café follow (1) Foreshore Trail and (3) Mokolan Trail, then cross the Outlet Channel and head north-east along North Road following (4) Sergeants Trail. You will wind your way along North Road before you turn left and join onto Flynns Road. Follow Flynns Road until you get to Pelly’s Corner, then follow (2) Pelly’s Trail and (3) Foreshore Trail back to the Mokolan Hub & Café. This loop trail is perfect for wildlife spotting and exploring historical sites.

MOKOAN MAGIC
4.10km RETURN
START POINT: Mokolan Hub & Café
END POINT: Mokolan Hub & Café

From the Mokolan Hub & Café follow (1) Foreshore Trail and (2) Mokolan Trail following the north side of Sergeants Swamp to the Outlet Channel. Look out for the history amongst the trees along your way.

Keep your eyes peeled for the tall blue sign at the entrance of The Lighthouse, turn left and follow the (8) Lighthouse Trail, where you will discover unique and fun artistic interpretations and informative signs connecting to the history and ecology of the site.

WEED AND WILDLIFE

This guide highlights a series of cycling trails throughout the Wetlands which allow you to explore the woodlands, wetland ponds and history of this site. You can connect with the site in many ways: walk, cycle, paddle or relax in the Mokolan Hub & Café. This project is one of the world’s most significant environmental, social and economic renewal projects, whether measured by its ecological significance, or its sheer scale.

EDUCATIONAL ADVENTURES
We are a major national facility for ecological and landscape education that also offer unique and fun nature-based activities and recreation. For further information about school visits contact info@wintonwetlands.org.au

TURTLE CONSERVATION
Stick your neck out with us and our volunteers, the Friends of Winton Wetlands, and help save local turtle species, including the Eastern long-necked turtle (Vorta yorta totem). For further information on how to get involved contact friends@wintonwetlands.org.au

GUIDED TOURS
Join a guided tour and delve into different aspects of the Wetlands with different trail guides. We can tailor a tour to suit your needs, let us know how we can help. To make a booking contact info@wintonwetlands.org.au
